FROM THE PRINCIPAL

27 March 2015

Dear Parents

Parent/Teacher Interviews

Parent/Teacher interviews will be held from 3.30pm to 9.00pm on Wednesday, 1 April. Parents will be able to book online until 3.15pm on Friday, 27 March. **All interviews will be held in the hall** where teachers will each have a designated interview area. Interviews will be of 15 minutes duration. If after this interview further time is required to discuss your child's progress, your teacher will make alternative arrangements to meet with you. **Please ensure you arrive on time** for your interview to assist teachers in keeping the night flowing smoothly.

Individual Curriculum Plans (ICPs)

In 2015, DETE is implementing Individual Curriculum Plans (ICPs) for identified students. The purpose of the ICP is to support those students operating at **more** than one year above or below their current grade level.

The implementation process for ICPs in 2015, the 'roll out' year, is a school-based management decision for each school. Our Management and Leadership Team have considered how best we manage the ICP implementation process for 2015.

For those students who qualify, ICPs will be completed in the subjects of English and Mathematics. SEP students who qualify may also have an ICP for Science. For SEP students, ICPs will appear on report cards in June. For mainstream students, ICPs will appear on report cards in December. Provision of a different year level curriculum via an ICP for one or more learning areas eg English is always done in consultation with parents.

Happy Easter

Happy Easter to all Hilliard families. I wish everyone a safe and peaceful Easter break with your family and loved ones.

Term 2

School resumes for Term 2 on Monday, 20 April.

Kind regards

STUDENT NEWS AND ACHIEVEMENTS

You Can Do It Awards

Positive, individual student and House (Aston, Butler, Carlson and Rogers) attitudes and actions will be rewarded in Hilliard's new Responsible Behaviour Plan For Students. A feature of the new plan will be the You Can Do It End of Term Prize. The House scoring the highest average points each Term, based on You Can Do It criteria, will be rewarded with an afternoon celebration during the last week of each Term. The winning House Captains will be able to negotiate their House's prize with the school administration.

Each week, students who follow the “You Can Do It” philosophy of “Getting Along, Organisation, Resilience, Confidence and Persistence” are awarded a “You Can Do It” token which is placed into a rewards box in the school office. Each week, on assembly, four students, one from each sports house, are chosen from the many who have earned a “You Can Do It” token and are awarded a prize.

COMMUNITY NEWS

P & C News

What a busy end to the term! Over the next week, you will enjoy the first school Disco, the children will have their first sausage sizzle and next Thursday will be the Easter parade. What a great way to end the term!

I would like to say a huge thank you to all parents and students for supporting the P&C and in turn helping us raise funds. As previously mentioned in newsletters, we have committed to a long term fundraising effort to replace our old wooden bench seats located in pergola areas around the school. This project started late last year and the pergola areas around the junior school were changed. We are working on the next area now. So every time you help us by supporting our ice cream days, sausage sizzles, discos, etc. your funds are being well spent!

For those parents who attended the cross country and fun run, I hope you noticed and approved of the huge new shelters that were present on the oval. They were the result of P&C fundraising last year. It was great to see them up and to see all of our children sheltered from our hot weather lately!

Our next meeting will be held on Monday, 11th May at 7PM in the Learning Centre. Hope to see you there!

Have a fantastic Easter and a safe holiday.

Storm Clark - P & C President
