FROM THE PRINCIPAL

24 April, 2014

Dear Parents

Our shared vision *Together We Learn, Lead and Succeed* guides the operation of our school. Our shared vision is like our team’s trademark. We need to regularly monitor our shared vision to determine if our thinking and actions are aligned to our trademark. Are we upholding our shared vision? Are students, staff and parents on board?

We have completed a review to see how we have been travelling. Here are some examples of how we are bringing the shared vision to reality:

**Together** .... Welcome BBQ in early Term 1 for all new HSS families; Parent/Teacher interviews at end of Term 1; whole school musical; communication with parents via school newsletter, HSS Facebook page and Year level newsletters.

**Learning** .... Term 1 C2C units taught and assessed, Delivering on Hilliard SS Pedagogical Framework, HSS students being engaged in their learning, implementation of new Camping and Excursion program including Sydney/Canberra trip for Year 6/7 students in August.

**Leading** .... Implementation of eLearning agenda; introduction of Year Level Coordinators; establishment of eLearning/Enrichment Mentor; school-based practitioner research project: *Using digital technologies for numeracy teaching and learning at Hilliard State School*, in conjunction with Aarhus University, Denmark.

**Succeeding** .... Successful implementation of new Responsible Behaviour Plan For Students; successful End of Term Prize; Establishment and operation of Thinking Room in T1, many successful clubs and extra-curricular activities provided to HSS students

**eLearning Agenda**

After a review of Term One iPad Class operations, our Management And Leadership Team have determined that, subject to staff and parental interest, our school will be expanding the number of iPad classes in 2015. Mr Jason Meijboom, Deputy Principal, will provide further information about this in the near future. It is timely to share some key research literature concerning ICT and eLearning in schools. Please consider the following:

‘The Learning Edge – What Technology Can Do To Educate All Children’ (2012), Alan Bain and Mark Weston, Hawker Brownlow Education

- ‘Dynamic leaders (Teachers) are those that create exciting, energetic and highly stimulating environments for our students. Technology is one of the tools that will create those environments’.

- ‘Today, Australia’s education system is evolving to take full advantage of new technology initiatives such as bring your own device (BYOD) and wireless connectivity to enhance teaching capability and inspire independent and critical thinking in the digital era. Spurred by Australia’s increasingly mainstream adoption of sophisticated mobile devices such as tablets and smartphones, more education processes, tools and resources are being digitised, prompting a shift in real-time learning behaviour.

Dallas Bastian, ‘The Tech Effect’ in Education Review, Issue 8 November 2013:

- The benefits of having a technology-rich classroom include an increased motivation to learn and a subsequent decrease in behavioural problems.

In ‘Digital Leadership: Changing Paradigms for Changing Times’ (2014) Eric Sheninger makes the point that schools need to embrace the technology that is now embedded in our students’ lives. It is not going to go away and unless we understand the true value and power of technology, our students will be disenfranchised and deem school irrelevant.

Clearly, our eLearning agenda, including our strategic use of all things ICT is critical to 21st century students, our parents and to us as a learning institution. We thank the many parents who are supporting our established 9 iPad classes and our eLearning agenda in general.

Our school has, and is, providing students and teachers with excellent eLearning opportunities. My experiences in schools both in rural, regional and metropolitan Queensland suggest that our school is very well positioned in terms of student and staff access to ICT hardware, software and professional development and support. I encourage all members of the Hilliard SS community to embrace our eLearning agenda, to use technology to engage our young people in quality learning experiences and to take advantage of the significant ICT and eLearning opportunities on offer.

**Hilliard State School ANZAC Ceremony**

Congratulations and thank you to Ms Maria Carbone for her leadership and coordination of another moving Hilliard SS ANZAC Ceremony.

**Uniform**

Parents, now that the cooler weather is with us we seek your cooperation in providing your child with a school issue pullover/jacket or a plain navy blue jumper as per our uniform standards chart below. The Uniform Convenor has advised that the winter jacket orders have arrived and should be distributed by Tuesday of next week.

Also, the wearing of loombands would **not** be supported by our Uniform Standards policy. Our student leaders and I will be rewarding students wearing their full Hilliard SS uniform on several occasions in Term 2.
School Photos
Photo day is Tuesday, 6 May. All students are required to be in full Hilliard SS uniform on this occasion. Class photo envelopes have been sent home and sibling photo envelopes are available at the school office. For further details see - Office News - in this newsletter.

Chaplaincy Chocolate Drive
Our Chaplaincy Committee will be holding a chocolate drive this week with ordered chocolates being delivered on Wednesday, 30 April. Our Chaplain, Mrs Lyn Keen, currently works at our school for 4 days/week. Two of these days are funded by the Federal Government and the remaining two days are sustained by local fundraising. Scripture Union have recently advised us that unless we raise further funds, Lyn’s hours could be reduced. I have worked in schools not fortunate enough to have the services of a Chaplain and know how valuable a Chaplain’s role with students, staff and parents is in a school community. Please support the Chaplaincy Committee Chocolate Drive so that we can keep Mrs Keen at Hilliard for 4 days/week.

A letter has been distributed via class teachers to every family regarding your participation in the Chocolate Drive. If you do NOT wish to receive a box of chocolates to either buy yourselves or sell to family and friends, please fill in the return section of the information letter, so that your child is NOT given a box to take home on Wednesday 30th April. Otherwise, we will assume that you are supporting our drive, and we thank you in advance for that support.
School Car Park
Our Parent Handbook states that ‘parking in the school grounds is for staff only.’ In special circumstances disability permits will be issued. Parents should request such permits from the school office. In the interest of student safety, please do not drive in to the car park to deliver or pick up children.

Kind regards

Andrew Walker - Principal

FROM THE DEPUTY PRINCIPALS

Welcome back to Term 2 to all our families and friends! This term, we are beginning our class dance lessons for the school musical “This Is Who I AM!” All classes will participate in 2 lessons with a professional Choreographer – Mr Trevor Green. These lessons will begin in week 2 and will take place every Tuesday and Wednesday until all classes have had their lessons. All staff members have been advised of the times for class lessons and will advertise sessions through their class newsletters.

Letters will be sent home this week, outlining the costume hire fees. Each student will be personally fitted with a professional Costume for their performance and the cost also includes the laundering fee ($15 per student). We have offered a discount for 3 or more students in a family ($35). Fees will be able to be paid from now on at the office. Only students who have made full payment will be allocated costumes for the performances.

Tickets for the Musical will be on sale in Week 1 Term 3. The allocated seating plan will be available for parents and families to choose appropriate seating. The Junior Musical will be on Wednesday, 10 September and Thursday, 11 September 2014.

Keep posted for more Musical news this term!

Under 8's Day

**CURRICULUM MATTERS**

**Hilliard Heroes Before School Reading Program**

I am pleased to advise that we will be commencing this program in the near future. The program will run from 8.30am to 8.45am on Tuesday and Wednesday each week in the Library. The start date will be advised soon. The program will be coordinated by our Support Teacher: Literacy and Numeracy, Ms Jean Richter. Girls and boys are encouraged to visit the library on the relevant days to be read to by trained volunteer parents and staff. We are keen to involve as many Dads and Grandfathers as possible and will also be organising some special ‘guest readers’. Our Head of Curriculum, Mrs Sonya Wilson, has recently conducted a Ready Reader Parent Information Session and we hope that many course participants will volunteer.

**NAPLAN Testing**

Students in years 3, 5 and 7 will once again take part in NAPLAN testing during the second week of May.

NAPLAN assesses the literacy and numeracy skills that students are already learning through the school curriculum. NAPLAN tests are constructed to give students an opportunity to demonstrate the skills they have learned over time through the school curriculum. NAPLAN does not replace, but rather complements, assessments run by your child’s class teacher throughout the year. At the classroom level, it is one of a number of tools used by teachers to measure student progress.

NAPLAN test days should be treated as just another routine event on the school calendar. To ensure the best start to the test, please ensure that students arrive punctually for school, are well rested and have had a sustaining breakfast on these days.

The 2013 NAPLAN test schedule is as follows;

- **Tuesday 13 May** – Language conventions; Writing
- **Wednesday 14 May** – Reading
- **Thursday 15 May** – Numeracy
- **Friday 16 May** – ‘Catch up’ day

For additional information go to: [http://www.nap.edu.au/naplan/parent-carer-support.html](http://www.nap.edu.au/naplan/parent-carer-support.html)

**ICAS Maths and English Competitions**

Please return your entry form and competition entry fee as soon as possible. Entry forms will not be accepted after 10 May. Thank you.

Sonya Wilson - Head of Curriculum

**STUDENT NEWS AND ACHIEVEMENTS**

**You Can Do It Awards**

Positive, individual student and House (Aston, Butler, Carlson and Rogers) attitudes and actions will be rewarded in Hilliard’s new Responsible Behaviour Plan For Students. A feature of the new plan will be the You Can Do It End of Term Prize. The House scoring the highest average points each Term, based on You Can Do It criteria, will be rewarded with an afternoon celebration during the last week of each Term. The winning House Captains will be able to negotiate their House’s prize with the school administration.
Each week, students who follow the “You Can Do It” philosophy of “Getting Along, Organisation, Resilience, Confidence and Persistence” are awarded a “You Can Do It” token which is placed into a rewards box in the school office. Each week, on assembly, four students, one from each sports house, are chosen from the many who have earned a “You Can Do It” token and are awarded a prize.

Congratulations to the following students:

**DENTAL VAN**

**Changes to School Dental Service -24/3/2014**

Dear Parents/Guardians,

Due to the introduction of the Child Dental Benefits Schedule (CDBS) by the Commonwealth Government, a parent or legal guardian is now required to attend every visit with their child.

If your child is eligible for the CDBS the cost of your child’s care will be bulk billed to Medicare. If your child is not eligible for the CDBS, they will still receive oral health care without charge.

*Metro South Oral Health Services will be sending more information to parents shortly.*

This means that all the children whom have not had their check-up yet will need to have a parent or guardian present for all appointments including check-ups.

If I have already received a consent form from your child I will be contacting you shortly to arrange an appointment time.

I apologise for any inconvenience that may occur due to the short notice of these arrangements. Our staff were just notified of the starting date for this mandatory attendance on Thursday afternoon.

Regards
Deb Macartney

Lost Property

We sort the school’s Lost Property on a weekly basis. Just a reminder that the Lost Property is kept on the trolley and in Year Level baskets in the alcove next to the Uniform Shop. If you have lost any item at the school, please have a look on the trolley and in the baskets to reclaim your property.

If items are labelled clearly with a student’s surname, we will place them in their appropriate year level baskets on Tuesdays and Fridays at their designated eating areas. Students can then collect their lost property, teachers on duty may also assist to distribute to students. We will also deliver any remaining NAME LABELLED ITEMS to students’ classrooms each week. All UNNAMED ITEMS will remain on the Lost Property trolley next to the uniform shop for you to go through. At the end of each term, UNNAMED ITEMS will be disposed of or given to charity.

Please discuss with your child/ren the importance of taking on the responsibility for looking for their lost items themselves.
