Dear Parents

**Educational Considerations**

Our school has commenced planning for the 2014 school year. This includes the careful drafting of balanced classes across the school. Some parents may wish to advise us of the specific educational needs of their children. For example, a student may need to be seated near the front of the class due to a hearing loss or a student may need to be separated from a peer to enhance on-task behaviour in the classroom. Parents who wish to inform the school Management and Leadership Team (MALT) of the educational needs of their child/children are requested to do so in writing by Monday 18 November. Such correspondence should be addressed to the Principal.

Please note that every consideration will be given to your preference but that no guarantee will be made regarding the allocation of a child to a class.

**Past Hilliard Students**

Recently, I was privileged to attend the Alexandra Hills State High School Annual Awards Night. It was wonderful to be informed of the many past Hilliard State School students receiving accolades for their achievements throughout the school year. Past Hilliard students won several Subject Awards, Academic Awards, Citizenship Awards and Cultural Awards. Well done.

**Home Emergency Kits**

A ‘Get Ready’ Home Emergency Kit booklet has been sent home with each student in preparation for the upcoming storm season. I encourage parents to read and discuss the booklet with their children and perhaps to prepare an emergency contingency plan in the event of adverse weather. I would like to thank Mr Steve Davies M.P. for his generous donation of a booklet for each family.

**Back our Chappies!**

A new High Court challenge means School Chaplaincy is under threat again. You can take action right
now to “BACK OUR CHAPPIES” by signing a Statement of Support, which will play an important role in responding to the new High Court challenge.

There will be a Statement of support available in the office for the next few weeks for parents and teachers to sign their support, or if you wish you can go online to register your support. The website is WWW.BACKOURCHAPPIES.COM.AU

Students who wish to show their support can visit our Chappy Room where Mrs Keen has a backpack ready for signatures to cover the pack – the backpack will be sent to SU Qld, where hundreds of backpacks will form a wall to be photographed as a “whole visual statement” to show student support across our state.

The continued funding of School chaplaincy is a worthy and valuable investment in young lives, because our kids are worth it!

BYO iPad classes 2014
A flyer regarding the BYO program at Hilliard SS in 2014 was sent home with students this week. It outlined key information including:

- If you are interested in the BYO iPad program, submit your expression of interest to the office by Monday, 18 November, 2013!
- Parents will be notified in the last week of school for 2013, if their child will be in a BYO iPad class in 2014.
- Please note that submitting an expression of interest does not guarantee your child a placement in a BYO iPad class in 2014 (we suggest not to purchase an iPad until you are notified of such placement).

A new document has been created and added to our school website entitled, “What learning, using the iPads, looks like at Hilliard State School”. It is likely that a BYO iPad program may look slightly different from school to school and we are working towards students in our BYO iPad classes to be offered learning experiences like no other.

Hilliard SS BYO iPad program booklets are available from the office (the expression of interest is attached to the booklet) or access it online at https://hilliardss.eq.edu.au/Curriculum/Pages/iPads@hilliardss.aspx

**Hilliard State School Arts Exhibition 2013**

Special thanks to Kirstie Skerritt and our fabulous teachers, aides and groundsman for putting together an amazing event on Thursday, 24th October. It was a spectacular exhibition of Art, Music and Fun! At $5.00 per family, it was affordable “togetherness” as families participated in face painting, craft activities and were treated to performances by our wonderfully talented students!

Mrs Keen and her volunteers made sure there was plenty of wonderful food and Hilliard Staff helped out throughout the night to make it an amazing success! Congratulations on a great evening!
Grandparent’s Day 2013

Our Grandparent’s Day was on Tuesday, October 29. Our Grandparent’s were treated to a spectacular concert from 9.30am till 10.30am. Our Choirs, Bands, Aerobics Teams and some very talented students performed for our special visitors and showcased some of Hilliard’s amazing talent.

Thank you to our P&C committee for hosting a wonderful morning tea, which enabled everyone to “energise up” and refresh before joining their grandchildren at 11.10am at our Library to view our “Grandparent’s Day ART Competition”. The artwork was truly amazing and depicted our grandparent’s and the wonderful things they share with our student’s.

Congratulations to our winners:

Senior school winner: Grace R 4A

Senior School Runner up: Sophie C 3B

Junior School Winner: Jessica S Prep D

Junior School Runner Up Hannah W 2C

Congratulations to our winners and to Mrs Julie Nichol who helped with judging! The Art Competition Entries are on display in the school Library.

We would like to thank the many grandparents who donated beautiful reading books to our school library for Grandparent’s day. Children will be able to see their grandparent’s names on the special labels they have pasted into each book. Children always love to borrow out and “show-off” their special book to friends and staff as a reminder of this event!

We hope our special guests enjoyed their classroom visits, in particular the variety of activies that awaited them.

**Getting set for Prep/School — is your child ready?**

Age is usually the first consideration for parents when making a decision about when their child will start school. You may have some concerns about whether your child is ready to start school even if they are the “right” age. There is an eleven-month difference between the youngest eligible child and the child that just misses the cut off date.

To make a decision about school readiness, you may want to consider:

• **Language skills:** communication is used to engage with and teach your child. A child needs to be able to follow instructions and understand what teachers are saying, as well as being able to communicate well with teachers and the other students.

• **Physical well-being:** a child who has a disability or a chronic illness may have difficulty with some aspects of school. This does not automatically mean they are not ready for school but any physical or functional limitations need to be considered.

• **Motor co-ordination and skills:** a child needs co-ordination skills to allow them to dress and undress, unwrap lunch, use a pencil and scissors, and participate in other activities that require eye-hand and motor co-ordination.

• **Concentration and emotional adjustment:** a child needs to be able to socialise and play with their classmates. They also need to be able to deal with the structured nature of a more formal learning environment, such as being able to focus on tasks, follow directions and instructions from teachers, cope with transitions, and understand the rules.

• **Independence:** a child needs a range of skills so that they can cope with minimum adult supervision. This includes going to the toilet by themselves, dressing, and being able to follow a structured classroom routine.

Some simple activities that you can do to help your child get ready for school are listed below:

• Read to your child and use books as a pleasurable daily shared activity.

• Make everyday things an exploration of language – ask the child questions, listen carefully to their answers, and encourage the child to ask why.

• Encourage the child’s natural curiosity – do different things with them, encourage them to try different ways of doing things. Make a walk in the park a nature tour.

• Encourage the child to learn to dress and undress independently, and to use the toilet appropriately.
• Make sure the child has crayons and pencils and a supply of paper to draw and write on, and always praise their efforts.

• Encourage your child to mix with other children in different supervised activities so they learn to socialise with their peers, take turns and share their toys and books.

If you are concerned about whether your child is ready to start school, then it is important to get advice that can support you in making this decision. You should talk to the kindergarten teacher, the primary school teachers, and other health professionals; they can assist in assessing your child’s development and readiness for school.

Hilliard State School is now taking enrolments for 2014. If you need enrolment packs, Enrolment Interviews, information phone us on 38201666.

CURRICULUM MATTERS

Environmental Club

Earlier this year we were fortunate enough to secure a Coles and Junior Landcare Grant to the value of $1089 to be used in the establishment of a “Hilliard Environmental Club”. A special thank you to Mrs Emma Harris for writing this successful application.

Two projects have since been undertaken utilising these funds. The first was the refurbishment of our Veggie Garden outside the Resource Centre. Prior to planting we tested the PH levels in the soils, removed any weeks and turned the soil. We then selected a variety of veggies suitable for planting at this time of the year. Armed with our newly purchased tools we set about planting our seedlings, mulching and watering. Weekly, we revisit the Veggie Garden to fertilise with Seaweed and Carp, much to the student’s disgust because of its slimy and smelly qualities.

Veggie Garden prior to planting
Plenty of willing helpers to plant out our Veggie Garden

Please view its progress when next you are passing.

Our second project was to establish a Butterfly Attracting Garden. Following consultation with Ruth Vickers from Indigiscapes we selected our most suitable habitat, the garden between the hall and Music rooms. This plot was selected because of its sunny aspect that’s not too windy, and large established trees. Ruth also assisted us to select plants that would provide food for the prospective caterpillars and flowering plants to attract and feed the butterflies. Our planting selection included:

**Richmond Birdwing Vine** – A woody vine, which is the sole larval plant for the rare Richmond Birdwing butterfly.
Native Mulberry - A shrub or small tree, which is a fantastic food for butterfly larvae.

Hairy Bush Pea – A small shrub growing to 1m with small, softly-haired leaves. During spring it is covered with small yellow pea flowers, which attracts the Fringed Heath Blue butterfly.

Purple Violet – A clumping violet growing to about 30cm with rich purple flowers and arrow-head leaves, it is the main larval food plant for the very rare Australian Fritillary butterfly.

Only just today two butterflies were notice inhabiting our new Butterfly Garden!
