

Hilliard State School 3rd Party Consent Form

Privacy Notice

The Department of Education, through Hilliard State School, is collecting the personal information on this survey in order to obtain consent regarding the use of online services. This information and completed survey will be stored securely. Personal information collected during this survey may also be used by or disclosed to third parties by the department where authorised or required by law. If you wish to access or correct any of the personal information disclosed, or discuss how it has been dealt with, please contact Hilliard State School in the first instance.

Dear Parents /Carers

The purpose of this form is to inform you about the third-party online services used in our school and how student information, including personal information and works, may be recorded, used, disclosed, and published to the services (if you provide your consent for this to occur).

This form is to be completed by:

Parent / Carer

About the consent

For each online service listed on subsequent pages, please indicate your choice to **give consent or not give consent** for the student information to be disclosed to the online service, in accordance with the approved purpose and time frame as outlined below.

Student Information

- Student name (first name and /or last name)
- Sex/gender
- Date of Birth, age, year of birth

AND the following school-based information (generally, non-identifying attributes*):

- Student school username
- Student school email
- Student ID number
- School
- Year Group
- Class
- Teacher
- Country

*In cases where registration and/or requires a combination of school-based information (non-identifying) and personal information, or combination of school-based information, the school-based information may become identifiable.

If an online service records, uses, disclose and/or publishes student work, parent information or additional student information (such as photographs of students), not listed above, it will be specified as part of **additional consent requirements**.

Examples may include:

- Student assessment
- Student projects, assignment, portfolios
- Student image, video, and/or audio recording
- Sensitive information (e.g.: medical, well-being)
- Name and/or contact details (e.g.: email, mobile phone number) of student's parent.

Approved Purpose

To record your consent for the use, disclosure and publication of the information listed above, and any information or student works listed under the 'additional consent requirements', and transfer this information and works within

Australia and outside of Australia (in case of offshore services) to the online service providers for the following purposes:

- For your child to register an account for the online services
- For your child to use the online services in accordance with each service's *terms of use* and *privacy policy* (including service provider use of the information in accordance with their *terms of use* and *privacy policy*)
- For schools to:
 - ✓ Administer and plan for the provision of appropriate education, training and
 - ✓ Support services to students, and
 - ✓ Manage school operations and communicate with parents and students.

Time Frame

The consent granted by this form is for the duration of the student's current phase of learning (i.e., Years P-2, 3-6. Consent is obtained upon enrolment and renewed when students move into a new phase of learning (e.g., minimum every four years) however, there may be circumstances where school issues a new consent form to seek additional consent e.g., in the event that new online services are identified for use.

Apps used by all Grades:

Online services provided by Education Queensland

Service Name:	Microsoft Office 365	Data Hosting:	Outside of Australia - USA
URL:	https://www.office.com		
App Store:	https://apps.apple.com/us/app/microsoft-365-office/id541164041		
Purpose of use:	Office 365 (O365) accounts are created and managed by Department of Education to provide students with an email address, cloud storage and access to the popular office programs. Includes: OneDrive, OneNote, Outlook, PowerPoint, MineCraft Education, Teams and Word.		
Terms of use:	https://www.microsoft.com/en-us/legal/terms-of-use		
Privacy policy:	https://privacy.microsoft.com/en-US/privacystatement		
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last name o School email address		

Service Name:	Intune Company Portal	Data Hosting:	Outside of Australia - USA
URL:	https://portal.manage.microsoft.com		
App Store:	https://apps.apple.com/us/app/intune-company-portal/id719171358		
Purpose of use:	Using Office 365 (O365) accounts provided by Department of Education, users can enrol their devices (iPads) into Intune. Intune deploys school apps, enforces passcode requirements, and configures network connections at school.		
Terms of use:	https://www.microsoft.com/en-us/legal/terms-of-use		
Privacy policy:	https://privacy.microsoft.com/en-US/privacystatement		
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last name o School email address		

3rd Party Online services utilised by Hilliard State School

Service Name:	Apple Inc. Apps	Data Hosting:	Outside of Australia - USA		
URL:	https://apple.com/au/				
App Store:	https://apps.apple.com/us/developer/apple/id284417353				
Purpose of use:	Apple Education offer a diverse array of apps catering to various learning needs. These apps cover areas such as note-taking, productivity, language learning, math, science, coding, and more. Additional information can be found in the Apple app list document. Includes: Books, Calculator, Clips, Freeform, Keynote, Garage Band, iMovie, Notes Numbers, Pages, Photo Booth, Reality Composer, Swift Playground			I give consent	I DO NOT give consent
Terms of use:	https://www.apple.com/legal/internet-services/terms/site.html				
Privacy policy:	https://www.apple.com/au/legal/privacy/				
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last name o Personal email address (do not use School email address)			☐	☐

Service Name:	Code.org	Data Hosting:	Outside of Australia	I give consent	I DO NOT give consent
URL:	https://code.org/en-US				
App Store:	N/A				
Purpose of use:	Code.org helps students learn the fundamentals of computer science through interactive coding lessons and games. It supports teachers with free, curriculum-aligned resources that make learning to code engaging and accessible for all students.				
Terms of use:	https://code.org/en-US/terms-of-service				
Privacy policy:	https://code.org/en-US/privacy			☐	☐
Information Disclosed:	The following personal information may be disclosed to this service. - o First name - o Student works and/or results are uploaded and published to the service - o The service provider requires parent consent for users under 13 to register an account and/or use the service				

Service Name:	Inquisitive	Data Hosting:	Australia	I give consent	I DO NOT give consent
URL:	https://www.inquisitive.com/au				
App Store:	N/A				
Purpose of use:	Inquisitive provides interactive lessons and activities that help students develop critical thinking and inquiry skills across multiple subjects. It supports teachers with curriculum-aligned resources designed to make learning engaging and easy to deliver in the classroom.				
Terms of use:	https://www.inquisitive.com/au/terms				
Privacy policy:	https://www.inquisitive.com/au/privacy			☐	☐
Information Disclosed:	The following personal information may be disclosed to this service. - o First name - o Last name - o The service provider requires parent consent for users under 13 to register an account and/or use the service				

Service Name:	Kahoot! For Schools	Data Hosting:	Offshore Germany, France, Canada	I give consent	I DO NOT give consent
URL:	https://kahoot.com/ , https://kahoot.it/				
App Store:	https://apps.apple.com/us/app/kahoot-play-create-quizzes/id1131203560				
Purpose of use:	Kahoot is a fun quiz game used by teachers to help students review what they've learned in class. Students join using a simple game code — no account or personal details are needed. It's a great way for parents to make learning interactive and enjoyable at home				
Terms of use:	https://trust.kahoot.com/terms-and-conditions/				
Privacy policy:	https://trust.kahoot.com/privacy-policy/			☐	☐
Information Disclosed:	The following personal information may be disclosed to this service. - o First name* - o Last name* - o School email address* *This data is only collected if students register individual student accounts or are using third party credentials to logon. - o The service provider requires parent consent for users under 18 to register an account and/or use the service				

Service Name:	Kodable	Data Hosting:	Outside of Australia - USA	I give consent	I DO NOT give consent
URL:	https://www.kodable.com				
App Store:	https://apps.apple.com/us/app/kodable-basics/id577673067				
Purpose of use:	Kodable teaches young children the basics of programming through engaging games and activities. Students learn through exploration and hands-on experiences by solving puzzles and completing challenges. Kodable also provides teachers with resources and lesson plans to integrate coding into their curriculum				
Terms of use:	http://resources.kodable.com/KodableTOS.pdf				
Privacy policy:	https://www.kodable.com/privacy				
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last Initial o School email address			☐	☐

Service Name:	Make Code	Data Hosting:	Australia	I give consent	I DO NOT give consent
URL:	https://makecode.microbit.org/ , https://arcade.makecode.com/ , https://www.microsoft.com/en-au/makecode				
App Store:	N/A				
Purpose of use:	MakeCode lets students learn coding by creating projects with block-based or JavaScript/Python editors, from micro:bit to Minecraft. It supports teachers with curriculum-aligned lessons and simulators that make coding approachable and engaging for all learners.				
Terms of use:	https://www.microsoft.com/en-us/legal/terms-of-use				
Privacy policy:	https://www.microsoft.com/en-gb/privacy/privacystatement				
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last name o School email address o Student works and/or results are uploaded and published to the service o The service provider requires parent consent for users under 13 to register an account and/or use the service.			☐	☐

Service Name:	Mathletics	Data Hosting:	Outside of Australia - USA	I give consent	I DO NOT give consent
URL:	https://www.mathletics.com/au/				
App Store:	https://apps.apple.com/au/app/mathletics-students/id1369836502				
Purpose of use:	Mathletics is an online maths program which encourages independent learning and the development of math skills through activities, games, and challenges.				
Terms of use:	https://www.3plearning.com/terms/				
Privacy policy:	https://www.3plearning.com/privacy/				
Information Disclosed:	The following personal information may be disclosed to this service. o First name o Last Initial o Year Level			☐	☐

Service Name:	Mathseeds	Data Hosting:	Outside of Australia - USA	I give consent	I DO NOT give consent
URL:	https://mathseeds.com.au/				
App Store:	https://apps.apple.com/us/app/mathseeds-fun-math-games/id1632175905				
Purpose of use:	Mathseeds is an interactive learning app designed to teach foundational math skills through engaging lessons, games, and rewards. It supports differentiated learning by adapting activities to each student's level, making it ideal for both classroom and home practice.				
Terms of use:	https://readingeggs.com.au/terms/				
Privacy policy:	https://readingeggs.com/privacy/				
Information Disclosed:	The following personal information may be disclosed to this service. - o First name - o Last Initial - o Year Level			☐	☐

Service Name:	Micro:bit Classroom	Data Hosting:	Outside of Australia - USA	I give consent	I DO NOT give consent
URL:	https://classroom.microbit.org/				
App Store:	https://apps.apple.com/us/app/micro-bit/id1092687276				
Purpose of use:	Micro:bit introduces students to coding and electronics through hands-on projects using a small, programmable device. It encourages creativity, problem-solving, and STEM learning with activities that connect coding to real-world applications.				
Terms of use:	https://microbit.org/terms-of-use/				
Privacy policy:	https://microbit.org/privacy/				
Information Disclosed:	The following personal information may be disclosed to this service. - o First name - o Last Initial - o Year Level - o Student works and/or results are uploaded and published to the service - o The service provider requires parent consent for users under 13 to register an account and/or use the service.			☐	☐

Service Name:	Reading Eggs	Data Hosting:	Outside of Australia - USA	I give consent	I DO NOT give consent
URL:	https://readingeggs.com.au				
App Store:	https://apps.apple.com/us/app/reading-eggs-learn-to-read/id726696040				
Purpose of use:	Reading Eggspress is an excellent resource as it offers a diverse range of interactive activities and e-books to improve reading skills. Its adaptive nature tailors lessons to individual students, making learning engaging and effective for learners at various levels of proficiency.				
Terms of use:	https://readingeggs.com.au/terms/

Year 6 Apps:

Service Name:	Duolingo for Schools	Data Hosting:	Outside of Australia		
URL:	https://schools.duolingo.com/				
App Store:	https://apps.apple.com/au/app/duolingo-language-lessons/id570060128				
Purpose of use:	Duolingo is beneficial in education due to its gamified, interactive platform that motivates students to learn languages through engaging, bite-sized lessons. It allows for personalized learning, enabling students to progress at their own pace, while teachers can track their progress in real time. This makes it a versatile tool for reinforcing language skills in a fun, structured way.			I give consent	I DO NOT give consent
