

26th November 2024

Dear Parents/Guardians,

Hilliard State School, in consultation with the P & C, has elected to continue the Hilliard State School Student Resource Scheme (SRS) for 2025.

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

If you opt in to the SRS your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form and opting out.

New participation forms are due to be returned to the office by Thursday, 30th January 2025.

The 2025 Hilliard SRS is **in addition to the Booklist**.
